CORAM : A.P. DESHPANDE, J.

DATE : 7th December, 2006.

P.C.

. According to the petitioner and four others, on account of an error committed way back in 1967 when the consolidated scheme was framed, the petitioners are deprived of the plot of land admeasuring 1 acre. An application, with a view to correct the error purported to have been crept in the year 1967, was moved. The application came to be rejected by the authorities below and aggrieved thereby the present writ petition is filed.

2. A perusal of the application moved by the petitioner does not even whisper any reason for the delay in moving of the application. The authorities below have rejected the application mainly on the ground that the same is belatedly filed. Without any explanation for delay of as good as 32 years. The learned AGP appearing for the State submits that when no limitation is prescribed, the action must be taken within a reasonable period and reasonable period would depend on the facts of each case. In the present case, there is absolutely no explanation whatsoever in regard to the cause for delay of about 32 years. In this fact situation, obviously unexplained belated filing of the application after 32 years cannot be entertain.

3. Perused the impugned orders. No interference is called for. The Petition is summarily dismissed.
